

Food-Related Activities

Any food- or beverage-related commercial activity will require licensing and inspection by either the Yamhill County Environmental Health Department or the Oregon Department of Agriculture's Food Safety Division. Plan review by the appropriate inspectional agency will also be required.

Will there be any food- or beverage-related activities?

- Food Service (i.e. restaurant, deli, café, coffee shop, brew pub, catering operation, mobile food vendor, etc.)
If so, please contact Yamhill County Environmental Health Department at 503-434-7476.

- Food or Beverage Processing, Manufacturing, Sales, Warehousing/Distribution (i.e. grocery store (includes retail, food, gift stores, and pharmacies with food), convenience store, home-based food business, beverage production and/or sales (includes wine tasting rooms & wineries, non-alcoholic beverages, bottled water, brewery), food products warehouse, bakery, meat market, food processing facility (includes the manufacture and/or handling of any food product, i.e. coffee roasting, vitamin/supplement production, fish/seafood sales, etc.).
If so, please contact Oregon Dept. of Agriculture's Food Safety Division/McMinnville Field Office at 503-472-3094 or the FSD Headquarters in Salem, OR at 503-986-4720.

For more specific questions on food-related business, please contact Yamhill County Environmental Health Department at 503-434-7476 or Oregon Dept. of Agriculture's Food Safety Division at 503-986-4720.
