KEEPING YOU IN-THE-KNOW ABOUT WHAT IS HAPPENING IN OUR COMMUNITY

Hampton Lumber is excited to partner with the City of Carlton on promoting pollinators and native species in the City of Carlton. Hampton has presented at City Council meetings and worked with the City to identify 2 areas in town to begin this partnership. Both areas are on 1st Street. The first is the pedestrian access from 1st to 2nd Street just north of Monroe. That area is scheduled to be planted with seeds on April 26, 2024. A 2nd area is almost directly across the street. The 2nd area will be done later and will include raised flower and fruit-bearing plants. If you would like to volunteer for this project on **April 26**, please contact Lindsay Davis at LindsayDavis@hamptonlumber.com.

Spring Cleaning Incoming!

The city and Recology have partnered to offer **yard debris bins** as an add on service for property owners in the City of Carlton! City ordinances prohibit the piling of lawn debris, overgrowth of vegetation, and obstruction of sidewalks, right of ways or streets by any trees, shrubs, leaves, grass or organic growth. As citizens continue gardening, landscaping or maintenance consider using a debris bin to safely dispose of lawn clippings and other landscaping debris. If you are interested in adding this service please contact Recology for more information.

For more information about services for waste disposal offered through Recology please visit their website: [RWO Valley ServiceGuides 2023.pdf \(recology.com\)](#)

Carlton Police Respond to Numerous Dog at Large Calls

The Carlton Police Department has responded to several dog at large calls over the last week. Due to the amount of time it takes to locate owners for dog at large incidents like this, it is likely that owners may receive a citation at the very least for dog at large. Trying to track down an owner can be very time consuming and tie up officers for extended periods of time. Due to the nature of the most recent incident and the potential of harm to community members and their animals, it is critical that dog owners ensure control and containment of their canine pets at all times.
