ALWAYS USE A SHARPS CONTAINER

Used sharps are hazardous waste. When not discarded properly they can cut and infect others. Protect your community by always discarding your used sharps in a sharps disposal container.

FREE sharps containers may be available from your doctor, hospital, health insurance or medication supplier. You can also buy a sharps container from your pharmacist or online.

For information about rules and laws in your community, contact the Coalition for Safe Community Needle Disposal at 800.643.1643. For more information on sharps visit [fda.gov/safesharpsdisposal](http://www.fda.gov/safesharpsdisposal).
