Parks

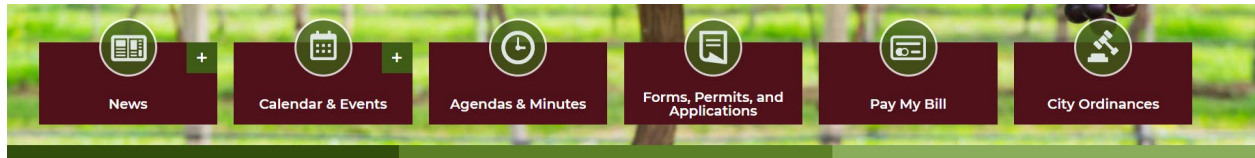

- Unfortunately, we had some vandalism from bicyclers this week in Wennerberg Park. We did find the individuals responsible for the damage and asked them to remove the piles of dirt and fill in the holes they created.
- There has been some chat from frisbee golfers in regards to some reconfiguring some of the current fairways to targets/holes more to follow.

Have you ever wondered about the schedule for mowing throughout the City of Carlton?

As we all know, spring and summer see substantial growth.

- Ladd Park is mowed at 1-2 times a week,
- Wennerberg Park once a week, the balls fields 1-2 times a week depending on baseball team use,
- Hawn Creek Park twice a month since there is no irrigation in the Park,
- Right of Ways (ROW) every 2-3 weeks or as needed.

Remember: If you see it, please report it. Potholes, mowing, comments, concerns – Use the Contact Us on the City’s webpage

Carlton Community Birthday Wishes

Carlton Senior Police Officer, Jake Blair, stopped by and wished Carlton resident John Mullen a Happy Birthday.

While he was there, Officer Blair played a little birthday music ending with a riff in the spirit of Carlos Santana.

Chief Kevin Martinez, Officer Tim Jordan, and Officer Micah Steeves sing Happy Birthday to Chris Frugia!

Chief Martinez topped off the birthday visit by playing a song that he wrote.
