Illegal Fireworks Search Warrant Served in Carlton

On July 9, 2021, at about 2 p.m., the Carlton Police Department executed a search warrant at a residence in the 900 block of S. Mason St., in the city limits of Carlton.

The search warrant was in association with the illegal use of fireworks by individual(s) associated with the residence. The illegal fireworks that were being ignited included firecrackers, bottle rockets and mortars. The

mortars and bottle rockets were propelled into the air landing on nearby roofs, roadways, and dry yard vegetation.

Due to the hot weather conditions, dry vegetation, and other highly flammable fuel sources it was critical to stop the discharging of these illegal fireworks for the safety of the neighborhood as well as the overall safety of the community.

The individuals that reside at the residence where the search warrant was served have been involved in an ongoing neighborhood for the last three years.

During the search of the residence a large box of various illegal fireworks were located, in addition, there was evidence related to the use and possession of methamphetamine.

This case is still under investigation. If anyone has additional information related to this investigation contact Officer Tim Jordan at tjordan@ci.carlton.or.us
