### Public Works

#### ***Water/Sewer***

- The Meadowlake transmission line project is on schedule has completed over 12,000 feet of replacement line
  - This project will replace over 15,500 feet of water transmission pipeline. Trenchline Excavation is doing the project. The City received a grant for \$7,150,000 for this project which was to cover all aspects of the work including engineering, permitting, construction and change orders. The City is also entering an agreement with Yamhill County to share a portion of the paving cost for the project.
- The Panther Creek dredging project has begun! They have begun building the silt filters on Weyerhaeuser land.
- We have switched over to McMinnville Water on August 4. This is the 1<sup>st</sup> time in 25 years we have done this allowing us to take our water plant off-line for the dredging project and also the water plant upgrade this fall.

### **Construction & Pool**

- JR Meadows performed a Storm Drainage test was July 30<sup>th</sup> and it was successful.
- Water leak repaired at the pool & the diving board is offline and is to be replaced after the season is concluded.

### **Fire Safety**

City crews will be continuing to work in parks and rights-of-way – and County crews on the rail corridor - to cut vegetation to reduce fire risk.

*Please assist us by keeping your property, as well as, the landscape strip between your property and road, trimmed.*
