## Public Works

### *Water/Sewer*

- The Meadowlake transmission line project is on schedule has completed over 17,000 feet of replacement line and we are on schedule to finish in November 2021.
  - This project will replace 32,435 feet (6.14 miles) of water transmission pipeline. Trenchline Excavation is doing the project. The City received a grant for \$7,150,000 for this project which was to cover all aspects of the work including engineering, permitting, construction and change orders. The City is also entering an agreement with Yamhill County to share a portion of the paving cost for the project and some service line work and reservoir sealing will also be completed.
- The Panther Creek dredging project has begun! They have begun building the silt filters are almost complete. Dredging is scheduled to begin Monday, August 23<sup>rd</sup>.

**Five water leaks repaired this week**

**CITY OF CARLTON TO RECEIVE \$5.8 MILLION  
FROM HB5006 FOR WASTEWATER  
TREATMENT PLANT UPGRADES**

In partnership with Representative Ron Noble, House District 24, the City of Carlton expects to receive \$5.8 million towards the required wastewater plant upgrades.

The funding from HB5006 will not only allow the City to complete the significant required wastewater plant upgrades, but will also allow them to reexamine their utility rates and consider other needed infrastructure projects to protect the health of the City's essential water and wastewater services.

## **Fire Safety**

*Please continue to assist City and County crews in cutting vegetation to reduce fire risk by keeping your property, as well as the landscape strip between your property and road, trimmed.*

## **Police**

### **Carlton Police Department Birthday Patrol**

Dawn Marie reached out to Carlton Police Department and requested a visit from the department's "Birthday Patrol" unit in the Upper Park this last Wednesday.

Senior Officer Jake Blair and Officer Micah Jordan responded to the call with a bunch of treasures for Dawn Marie's son Asher.

Happy 7<sup>th</sup> Birthday Asher!

## **Oregon Indoor Mask Requirement, effective Friday, August 13**

- Goal of indoor mask requirement is to limit the spread of the Delta variant as much as possible indoors, where COVID-19 spreads more easily. The requirement works in combination with efforts to encourage more Oregonians to become fully vaccinated.
- The emphasis of indoor mask requirement is on personal responsibility—we are asking Oregonians to make a commitment to protect those around you by wearing a mask. We are also asking Oregonians to be kind and considerate of others and to treat store employees and others with respect: they are asking you to wear a mask to save lives.
- Applies to adults and children older than 5. On public transit, also includes children older than 2. This aligns with Multnomah County mask requirements.
- Applies broadly to people in all indoor public spaces. (Masks are still strongly encouraged in crowded outdoor situations.)
- Common sense exemptions apply for activities that would be impractical or impossible wearing a mask, for example: eating and drinking; swimming and organized, competitive sports; performances involving singing or speaking in public.
  - In these cases, OHA recommends strongly that participants be fully vaccinated if eligible.
  - Similar to exemptions in recently-adopted mask requirements in Nevada, Louisiana, and Washington, DC.
- Oregon OSHA will have a role in enforcement for employers and employees, with an education-first approach: OSHA will work with employers who are making an effort to comply and won't conduct inspections or issue fines immediately as businesses implement masking protocols, including the necessary signage.
