

City Community Updates

4-year-old Delaney Riha stopped by the Carlton Police Department to honor those who lost their lives 20 years ago on September 11, 2001.

Delaney Riha touched our hearts and helped remind us just how important our children are in being the champions of all the goodness yet to come for the future of our great Country.

Public Works

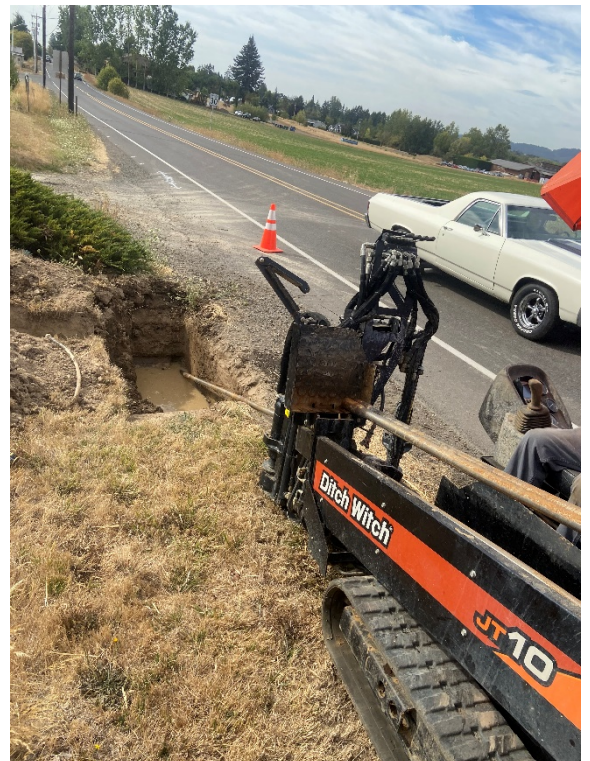

The Meadowlake transmission line project is on schedule has completed over 21,700 feet of replacement line.

This project will replace 32,435 feet (6.14 miles) of water transmission pipeline. Trenchline Excavation is doing the project. The City received a grant for \$7,150,000 for this project which was to cover all aspects of the work including engineering, permitting, construction and change orders.

Concrete reservoir relining portion of the project is going good we believe we have found the leak from a old 1" pipe penetrating thru the wall at a elevation of 2' in the reservoir.

The crew has been busy repairing 5 water leaks around town

Police

Carlton PD Birthday Patrol

Officer Jordan was on patrol in the lower park when he observed a birthday celebration for 9-year-old Thomas. Thomas had the biggest smile on his face when Officer Jordan presented him with a birthday bag full of goodies from the Carlton Police Department.

PD Activity for the period of September 1, 2021 thru September 7th (Not all calls stats were available at the time of data collection)

Total CAD Reports to Date for 2021 – 1,672

Total Traffic Stops to Date for 2021 - 207

Carlton PD DUI Arrest

On Friday, September 3, 2021 at approximately 6:15 p.m., Officer Tim Jordan conducted a traffic stop on a possible intoxicated driver near Yamhill St. and Washington St.. It had been reported that the driver was intoxicated and had left a business in the city of Yamhill and was last seen traveling towards the city of Carlton. Upon completion of Officer Jordan's investigation the driver was determined to be 3 times over the legal limit and was subsequently arrested for driving under the influence of intoxicants. The driver was also driving while driving misdemeanor suspended that was the result of a recent previous DUII arrest.

Arrested for DUII was Carlton resident, 21-year-old Parker Odam.

Back to School Safety

The Carlton Police Department will be conducting extra patrols in the areas surrounding the Yamhill-Carlton Elementary School as our children return to a new school year. Please pay extra attention to reduced speeds, stop signs, crosswalk safety and not driving while using devices that cause a driver to be distracted, these could lead to costly citations.

Fall Safety Tip RE: Crosswalks - Pedestrians and Vehicles Obligation to both use Due Care.

<https://youtu.be/XoxbD-DtegU>

The following video and Oregon Revised Statute states that pedestrians, in addition to drivers of vehicles, both have the responsibility to exercise "Due Care" when crossing or driving through an intersection. Pedestrians and drivers who don't use due care can be issued a citation if one or the other does not use "Due Care" when crossing the road. You will see in the statute that after a pedestrian uses due care of assessing traffic and determined that it is safe to use the crosswalk, they must make an active motion of stepping onto the roadway (crosswalk). At the same time, they must continue to use due care. According to the statute, a driver is not obligated to stop if there is no active effort by the pedestrian to demonstrate they are going to be entering the roadway. Please review the following for your information related to crosswalk related laws. As a pedestrian, I always have the right of way over motor vehicles.

ORS 811.005 – Duty to Exercise Due Care requires pedestrians to exercise care when entering onto a roadway. From the video: A pedestrian can't just walk out in front of a vehicle approaching without some notice. All too often, we see this with people out exercising. Joggers approach a corner or crosswalk and continue to run across the street as vehicles approach. Although runners don't like to interrupt their workouts, it's important to note; vehicles most likely can't stop in time when the runner suddenly appears in front of them. It's much safer for a pedestrian to stop in an attempt to ensure the motorist can visually see you.

Whether children walk, ride their bicycle or take the bus to school, it is extremely important that they take proper safety precautions. Here are some tips to make sure your child safely travels to school:

Walkers »

Review your family's walking safety rules and practice walking to school with your child.

- Walk on the sidewalk, if one is available; when on a street with no sidewalk, walk facing the traffic
- Before you cross the street, stop and look left, right and left again to see if cars are coming
- Make eye contact with drivers before crossing and always cross streets at crosswalks or intersections
- Stay alert and avoid distracted walking

Bike Riders »

Teach your child the rules of the road and practice riding the bike route to school with your child.

- Ride on the right side of the road, with traffic, and in a single file
- Come to a complete stop before crossing the street; walk bikes across the street
- Stay alert and avoid distracted riding
- Make sure your child always wears a properly fitted helmet and bright clothing

Bus Riders »

Teach your children school bus safety rules and practice with them.

- Go to the bus stop with your child to teach them the proper way to get on and off the bus
- Teach your children to stand 6 feet (or three giant steps) away from the curb
- If your child must cross the street in front of the bus, teach him or her to walk on the side of the road until they are 10 feet ahead of the bus; your child and the bus driver should always be able to see each other
- Get the facts on bus safety from Injury Facts

Driving Your Child to School »

Stay alert and avoid distracted driving.

- Obey school zone speed limits and follow your school's drop-off procedure
- Make eye contact with children who are crossing the street

- Never pass a bus loading or unloading children
- The area 10 feet around a school bus is the most dangerous for children; stop far enough back to allow them to safely enter and exit the bus

Teen Drivers »

Car crashes are the No. 1 cause of death for teens. Fortunately, there is something we can do.

- Teens crash because they are inexperienced; practice with new drivers every week, before and after they get their license
- Set a good example; drive the way you want your teen to drive
- Sign the New Driver Deal, an agreement that helps define expectations for parents and teens

Finance-Administration-Planning

Planning

- PC meeting on September 20th- Zone Change on Agenda. Notices have been posted and mailed
https://www.ci.carlton.or.us/sites/default/files/fileattachments/planning_commission/meeting/5618/zc_2021-01_public_notice.pdf
