## Meadowlake Transmission line

- **Mainline pipe installation on the Meadow lake transmission line project is complete!** The remaining project items, like water service installation, are scheduled to finish in November/December. Approximately ½ of the line from water plant to concrete reservoir is online with all new water pipe.

This project will replace 32,435 feet (6.14 miles) of water transmission pipeline. Trenchline Excavation is doing the project. The City received a grant for \$7,150,000 for this project which was to cover all aspects of the work including engineering, permitting, construction and change orders.

### Water

- Panther Creek Reservoir Dredging Project: We are scheduling the road improvement portion of the project. This will include the road from water plant to Panther creek reservoir. This will probably be done in November.
- Concrete reservoir lining portion of the project has been installed and final wrap up items are being worked on by the contractor

### Sewer

- One sewer lateral replacement last week at Yamhill & Jefferson.
- Hawn Creek Pumpstation project has not started yet.

### Parks

- Thank you for enjoying our parks! We had a very busy season. With winter coming we will be pulling the porta potty's by the end of October.

### Pool

- Winterized for the season

### Streets

- Sidewalk project on Monroe St. is about 50% complete.

## Police

### Carlton PD Birthday Patrol

It was a very special day indeed for Delaney Riha who was visited by Carlton Police Department's Senior Officer Jake Blair to wish her a happy and safe 5<sup>th</sup> birthday. Officer Blair played guitar and was joined by Delaney's family in singing Delaney Happy Birthday. Another prime example of how the partnership between Carlton Police Department and the citizens of Carlton make this a great little town.
