

City Community Updates

October is Cybersecurity Awareness month.

During the month please visit <https://www.cisa.gov/cybersecurity-awareness-month-resources> to find tools for reducing cybersecurity risks and protecting yourself online.

Public Works

Water

- Panther Creek Reservoir Dredging Project is in the road improvement phase of the project with Trenchline acting as the subcontractor for the Panther creek reservoir general contractor installing rock and 2 culverts.
- Concrete reservoir lining portion of the project has been installed and final wrap up items are being worked on by the contractor
- We had a water leak repair at the American Legion Hall

Meadowlake Transmission line

- **Mainline pipe installation on the Meadow lake transmission line project is complete!**
- Approximately 7,400 feet of one lane along Meadowlake Road has been paved. The shoulder rock along Panther Creek Road has been partially installed.
- The remaining project items, like water service installation, are scheduled to finish in November/December. Approximately ½ of the line from water plant to concrete reservoir is online with all new water pipe.

This project will replace 32,435 feet (6.14 miles) of water transmission pipeline. Trenchline Excavation is doing the project. The City received a grant for \$7,150,000 for this project which was to cover all aspects of the work including engineering, permitting, construction and change orders.

Sewer

- One Sewer lateral repair at N. 2nd and Madison Street was completed.

Parks/Pool

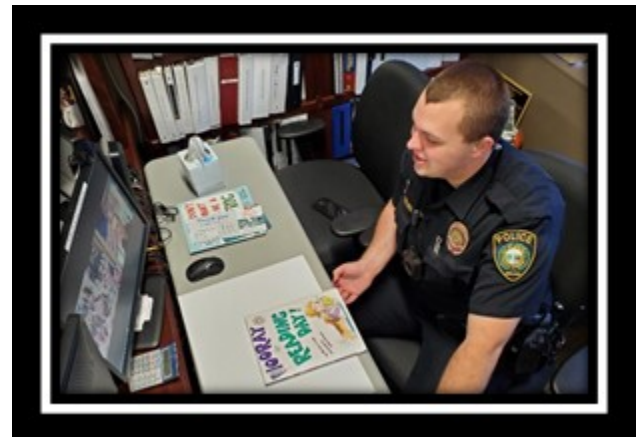

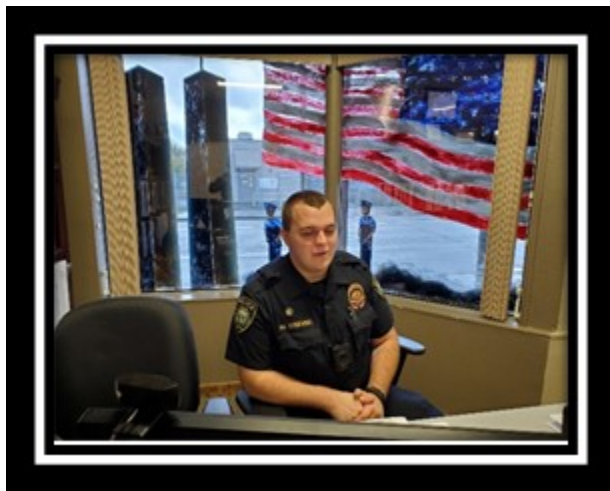

- Over the weekend, vandalism occurred with the cutting of the rose bushes at the pool. There is an active investigation
- Lower park is tentatively scheduled to close its gates by the end of October
- The historic street sign has been repaired and reinstalled
- The City is reviewing the work on the Park in JR Meadows 1

Streets

- Sidewalk project on Monroe St. is about 60% complete due to setbacks due to weather conditions
- We are having ongoing meetings and conversations with ODOT about required replacement of ADA ramps. We are working with them to obtain a schedule that minimizes disruptions to businesses
- We have worked with ODOT to extend the speed zone on the south end of Highway 47. The 30MPH zone will extend south approximately another 500 feet

Police

Carlton Police Department's Elementary School Reading Program

Carlton Police Officer Micah Steeves reads to YCES first graders.

The kiddos loved listening to Officer Steeves and after listening to the exciting story of "Hooray For Reading Day" they asked a lot of great questions!

Carlton PD Birthday Patrol

It was a very special day for Faye who was visited by Carlton Police Department's Officer Tim Jordan to wish her a happy 5th birthday.

Officer Jordan delivered a special birthday gift of a stuffed animal, which Faye affectionately named "frosty", and other small goodies.

Faye got to see what it was like to be a Carlton Police Officer by sitting in the driver's seat of a patrol car although she said she didn't feel confident enough to drive.

Another example of the Carlton Police Department building partnerships with our lil future community policing professionals!

Arrests

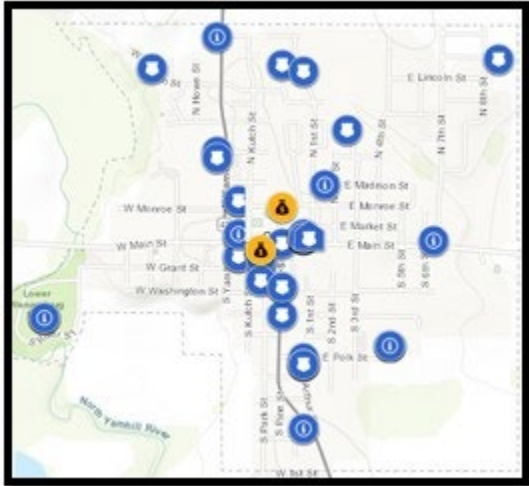

38-year-old, Randall Gray was arrested on October 19, 2021, for Theft I by Receiving (Handgun) which resulted from an investigation that began on July 2, 2021.
