Public Works

Meadowlake Transmission line

Approximately 7,400 feet of one lane along Meadowlake Road has been paved. The shoulder rock along Panther Creek Road has been installed. We are working to connect properties to the new Mainline.

The remaining project items, like water service installation, are

scheduled to finish in November/December. Approximately ½ of the line from water plant to concrete reservoir is online with all new water pipe.

This project will replace 32,435 feet (6.14 miles) of water transmission pipeline. Trenchline Excavation is doing the project. The City received a grant for \$7,150,000 for this project which was to cover all aspects of the work including engineering, permitting, construction and change orders.

Development

➤ The Brooklyn Terrace Project is underway and water and sewer are being installed this week.

Streets

➤ Sidewalk project on Monroe St. is complete except for paving.

October 2021: Code Enforcement Summary

Number	Code Violation Type	Status
9	Tree Safety Issue	In Progress
26	Non Compliance Structure	Cited-In Progress
47	Overgrown Vegetation	In Progress
58	Trailer Ordinance	Completed
