## Public Works

### Lower Park Closed Today Due to Flooding

#### Meadowlake Transmission Line

Trenchline Excavation has replaced 32,435 feet (6.14 miles) of water transmission pipeline.

This week approximately 717 feet of ductile iron pipe has been installed. The concrete reservoir is lined and back online. Most services are now hooked up to the new mainline. The remaining project items, like water service installation, are scheduled to finish in November/December.

The City received a grant for \$7,150,000 for this project which was to cover all aspects of the work including engineering, permitting, construction and change orders.

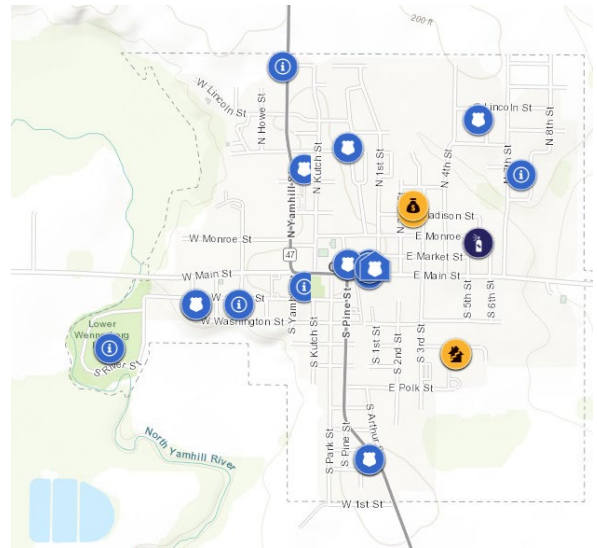

- Sewer repairs at Jefferson & Kutch and the Carlton Truck shop this week
- Monroe St. sidewalk project is complete

*Effective November 15, 2021*

Yamhill County Oregon - Yamhill County Transit (YCT) is pleased to announce that we will be reinstating service for the Newberg routes 5 & 7 starting Monday, 11/15/21. That brings us back to full service.

During the holiday months ahead, we will be running full service except on:

- Thanksgiving Day
- Christmas Day
- New Year's Day

We do not offer transit services on those holidays, nor Sundays.

### **COVID-19 Reminders**

As we continue our Covid safety processes, we offer a reminder that:

1. YCT continues to be fare-free until further notice.
2. Masks are required for all riders when at bus stops, at the transit center, and while riding the buses.

Please remember to adhere to social distancing as much as possible when riding the bus. YCT dispatchers when scheduling rides for demand response services may ask questions to ensure customers are not traveling with symptoms.

Please watch for updates on [Ybus.org](https://www.ybus.org) and the Rider Facebook page [YCbus Info](#).
