

City Community Updates

Public Works

Meadowlake Transmission Line

We are nearing the end of construction. We had a couple of delays due to recent weather. A final walk through will be done on January 12th.

For more information, please view the project page at:

<https://www.ci.carlton.or.us/administration/project/water-transmission-line>

ODOT WORK - [ADA curb ramps](#) Construction in 2022

ODOT is installing ADA compliant curb ramps on the corners of several intersections in Carlton. ODOT plans to construct one corner of an intersection at a time, with up to five intersections under construction at once. When construction starts, expect ODOT crews working during the day and at night as needed.

During construction, the project webpage or Tripcheck.com will have the most up to date information about impacts. ODOT is working with the City to help coordinate and distribute information and project updates.

For questions about the ADA curb ramps, contact the project manager:

Brennan Burbank brennan.burbank@odot.oregon.gov 971-701-3342

Water

- ◆ City Council approved a bid award to Coastal Services. For more information, please view the project page at: <https://www.ci.carlton.or.us/projectsland/project/clearwell-and-water-treatment-plant-improvements>

Sewer

- ◆ 1 sewer lateral repair on East Monroe Street

Streets

- ◆ If you see potholes, please call:
 - City Street: Public Works 503-852-3104
 - State Highway 47: ODOT McMinnville Office 503-472-1462

Parks

- ◆ Closures at parks will occur as needed for safety due to snow and flooding

Carlton History

Back in the early 1950s the School Board of Carlton School decided that the buildings, which are now the Carlton Apartments, were becoming too small to house all the school children adequately and also did not meet state standards. So the present grade school was built and dedicated in January of 1953.

In January 1935, at a city council meeting, the discussion of a city swimming pool was held. Mayor W. E. Kidder appointed a committee of three: Claude Simmons, Frank Brooks, and James Spence to get all the information they could on construction of a pool and to contact city attorney, Eugene Marsh, to draw up an ordinance for bonding the pool. On February 4, 1935 said ordinance was drawn up for a bond of \$1,500 to be voted on by the people of Carlton.

Special election on the bond was held February 26, 1935. The Carlton Herald offered to do the advertising free of charge. The judges and clerks for the election donated their services free of charge. There were 163 votes cast, of which 113 were for the bond and 50 against it. The pool project was started on March 29, 1935. Material cost \$2,500 with 4,520 man hours of labor by W.P.A. Dedication of the pool was held the following July with George W. Fullenwider representing the governor of the state, filling the place of speaker.

Police

Holiday Wonderland at YCES

Huge shoutout to Carlton PD & Carlton Fire Dept. for being part of the YCES Winter Wonderland! Santa & Mrs. Clause loved seeing them! 🎄

Carlton PD Gives Out Warming Blanket

Wilma was very appreciative of Senior Officer Jake Blair's visit. She loved the warming blanket!

Carlton Police Department Holiday Card

2021

Where did this year go!™ So many new adjustments to everyday life and the way we used to know and do things. What has remained a constant and at the forefront of the minds and actions of the members of the Carlton Police Department is to know that we will never lose our compassion, honor, respect, integrity, transparency, and community partnerships with the citizens of Carlton.

We have the honor of representing a profession that has the responsibility and obligation to respect every individual citizen, help and protect those in harm's way, extend a helping hand to our vulnerable population and of course inspiring our community's little ones who will one day do great things for Carlton.

Our prayers and thoughts go out to every citizen in hopes that this year ends with peace and joy for your families. We also look to next year when we will have the opportunity to make so many other lives better by our words and actions.

Chief Kevin Martinez, Senior Officer Jake Blair, Officer Tim Jordan, Officer Micah Steeves and Christy Martinez wish you a very safe and wonderful Holiday Season.

Holiday Windows at Carlton PD

Finance-Administration-Planning

Help to plan the future of Carlton!

The City of Carlton invites you and your neighbors to be part of a city-wide effort to create a Community Vision and Comprehensive Plan update. As the community's blueprint for the future, the Comprehensive Plan will guide decisions on growth, development, and public investment over the next 20 years. The Comprehensive Plan provides a unified vision, goals, and policies for good governance and future decision making.

We need you! We encourage anyone who is interested

to apply for a position on the Project Advisory Committee (PAC). The PAC will meet four times in 2022 to advise development of the Vision and Plan. For more information, contact Aimee Amerson at aamerson@ci.carlton.or.us, 503-852-7575.

Information about the project and process can be found at the following link. This page will be updated as the project progresses.

<https://www.ci.carlton.or.us/administration/project/goal-14-update-city%E2%80%99s-comprehensive-plan-development-code>

Planning Commission:

📍 Meeting Tuesday, January 18th at 6 PM.

Permits:

- 📍 Sign permit application submitted
- 📍 1 building compliance application

We need your Input!

Oregon is required to establish Total Maximum Daily Loads (TMDL) for streams segments which do not meet water quality standards. The TMDL identifies the level of pollutants that a water body can absorb and still meet water quality standards.

The City of Carlton has both the Yamhill river and Hawn Creek near and through it. It is important to keep these waterways clean for fish and wildlife use. The City will soon begin developing our own Water Quality Management plan and we need your input. If you could spare a few moments of time and share your thoughts, we would appreciate your time and responses.

Survey can be found here:

ODOT WORK - OR 47 realignment design is underway

You may see activity in Carlton as ODOT restarts the design of the OR 47 realignment project. This project includes installing ADA curb ramps, bike lanes and rerouting traffic to a new alignment of OR 47 from W Main Street onto Monroe Street.

ODOT will be engaging the community throughout the design process, stay tuned for information on how you can get involved.

For questions about the OR 47 realignment work, contact the project manager:

Paul Welch paul.welch@odot.oregon.gov 503-302-8926
