Police

Honorary Police Officer for the Day

7-year-old David helped Officer Micah Steeves patrol the Carlton Lower Park this last week.

David's watchful eye helped Officer Steeves ensure that the park and park visitors were safe.

Thank you David!

The Carlton Code Corner

Let's talk about noise this week.

In the City Code citizens are asked to refrain from creating, assisting, or permitting loud, disturbing or unnecessary noise in the city of Carlton. Some specific examples include:

- ❖ Animals that make frequent noise
- ❖ Unnecessarily loud vehicles due to disrepair or modification
- ❖ Demolition or repair of buildings after six p.m. or before seven a.m. (unless granted a special permit)

- ❖ Sirens or horns outside of emergency vehicles or necessary warning of danger to others respectively
- ❖ Noise amplification devices that disturb others in the vicinity outside of permitted events and gatherings

The codes in their entirety can be accessed on the City's website at https://library.municode.com/or/carlton/codes/code_of_ordinances.

Please don't hesitate to reach out to City Hall with any questions: 503-852-7575

ADA curb ramps Construction in 2022

ODOT is installing ADA compliant curb ramps on the corners of several intersections in Carlton. ODOT plans to construct one corner of an intersection at a time, with up to five intersections under construction at once. When construction starts, expect ODOT crews working during the day and at night as needed. During construction, the project webpage or Tripcheck.com will have the most up to date information about impacts. ODOT is working with the City to help coordinate and distribute information and project updates. For questions about the ADA curb ramps, contact the project manager:

OR 47 realignment design is underway

You may see activity in Carlton as ODOT restarts the design of the OR 47 realignment project. This project includes installing ADA curb ramps, bike lanes and rerouting traffic to a new alignment of OR 47 from W Main Street onto Monroe Street.

ODOT will be engaging the community throughout the design process, stay tuned for information on how you can get involved.

For questions about the OR 47 realignment work, contact the project manager:
