

City Community Updates

Spring Forward!

Daylight Savings Time begins at 2 a.m. on Sunday March 13, 2022

When the clocks change in the spring and the fall, it is a great time to check a few other items around your home including:

- Change Batteries in smoke detectors and carbon monoxide detectors
- Check your emergency supplies. Do you have enough flashlight batteries, or do you need to restock any band aids in your First Aid kit?
- Furnace and water filtration system filters - do they need to be cleaned or replaced?

Finance-Administration-Planning

The Carlton Code Corner

As the weather begins to warm and plants begin to grow let's discuss the City Ordinances regarding maintenance of trees and vegetation.

- ✓ Owners and residents may not permit the accumulation of any grass, weeds and other *noxious vegetation more than ten (10) inches in height, and all dead bushes, grass, trees, debris and other things of an inflammable character on such property.
- ✓ It's unlawful for any person maliciously or wantonly to cut down, destroy, or injure any flower, bush, shrub, or tree standing or grown upon the property of another.
- ✓ Trees must be trimmed to the trunk at least eight (8) feet over walks and pedestrian paths, and to a minimum height of fifteen (15) feet over streets and vehicular traffic areas.
- ✓ All vegetation must conform to clear vision standards allowing for pedestrians and vehicles to navigate sidewalks and streets safely.

* Visit the Yamhill County Soil and Water Conservation site for a full list of noxious vegetation: [noxious-weed-list-2021-2022.pdf \(yamhillswcd.org\)](https://www.yamhillswcd.org/files/2021/02/noxious-weed-list-2021-2022.pdf)

The codes in their entirety can be accessed on the City's website at https://library.municode.com/or/carlton/codes/code_of_ordinances.

Please don't hesitate to reach out to City Hall with any questions: 503-852-7575

See what's being built in 2022!

Visit our [online open house](#) to learn more about construction happening in your area.

ADA curb ramps Construction in 2022

ODOT is installing ADA compliant curb ramps on the corners of several intersections in Carlton. ODOT plans to construct one corner of an intersection at a time, with up to five intersections under construction at once. When construction starts, expect ODOT crews working during the day and at night as needed. During construction, the project webpage or Tripcheck.com will have the most up to date information about impacts. ODOT is working with the City to help coordinate and distribute information and project updates. For questions about the ADA curb ramps, contact the project manager:

Brennan Burbank brennan.burbank@odot.oregon.gov 971-701-3342

OR 47 realignment design is underway

You may see activity in Carlton as ODOT restarts the design of the OR 47 realignment project. This project includes installing ADA curb ramps, bike lanes and rerouting traffic to a new alignment of OR 47 from W Main Street onto Monroe Street.

ODOT will be engaging the community throughout the design process, stay tuned for information on how you can get involved.

For questions about the OR 47 realignment work, contact the project manager:

Paul Welch paul.welch@odot.oregon.gov 503-302-8926
