'YOU'RE A HERO' Yamhill County's News-Register by Starla Pointer

'We have a hero among us," Principal Amanda Dallas told students gathered for a surprise assembly in the gym at Yamhill Carlton Elementary School Wednesday.

Kindergarten through third-graders bounced in their seats and looked around, wondering whom Dallas was talking about. Even Taylor Snyder, a third-grader sitting near the back, searched for the hero.

Then, as the principal described the heroic act of saving a student who was choking on popcorn, Taylor smiled. He realized she was talking about him.

"This person has been at this school almost four years, and is a really, really great friend to many," Dallas said. When he noticed Scarlett McBee choking, the principal said, "he went into

action." He thumped Scarlett on the back, "and out popped the popcorn."

d the popcorn."

Taylor, 9, was a little shy when she called him to come to the front of the gym. But he grinned widely as she handed him a YCES T-shirt, a stuffed eagle, two balloons and a certificate.

"We're so very thankful this student got up and helped," Dallas told the rest of the students. To Taylor, she said, "we are so proud of you and your quick actions and bravery."

Scarlett, also 9, and her father, Bon McBee, stepped up to honor Taylor, too, handing him a lifesaving certificate, a bag of gummy Lifesavers and a McDonald's gift certificate.

McBee, a first responder, said he was awed by Taylor's actions. It takes courage to step up like that, he said — and his daughter agreed.

To Taylor, the McBees repeated, "You're a hero."

Carlton firefighters and police officers also praised the third-grader.

"Great courage ... a selfless act," firefighters Curt Herman and Garrett Scales said, challenging everyone else in the gym to "learn the skills to save a friend."

Because of Taylor's quick actions, Carlton Police Chief Kevin Martinez said, "Scarlett gets to go on and have a great life." He and officers Jake Blair and Micah Steeves handed him a certificate, on which Martinez noted, "there is nothing greater than to help those in need."

After the assembly, Nicholas Snyder came out of hiding — he hadn't wanted to spoil the surprise — to hug his son.

"I'm so proud of you," he told him.

Taylor, in turn, thanked his father for teaching him what to do. A few months ago, he said, he choked while eating. His dad thumped him on the back, and the food came up, allowing him to breathe again.

Taylor recalled the incident when he noticed Scarlett was choking.

Snyder hugged his son again. "That was very awesome for him to remember," he said. "I think he did an amazing job."

ADA curb ramps Construction in 2022

ODOT is installing ADA compliant curb ramps on the corners of several intersections in Carlton. ODOT plans to construct one corner of an intersection at a time, with up to five intersections under construction at once. When construction starts, expect ODOT crews working during the day and at night as needed. During construction, the project webpage or Tripcheck.com will have the most up to date information about impacts. ODOT is working with the City to help coordinate and distribute information and project updates. For questions about the ADA curb ramps, contact the project manager:
