Carlton History

In May of 1940, a fire which broke out from sparks caused by friction, destroyed the Carlton Manufacturing Company plant. The sawmill and planing mill units were totally destroyed. All that was left of the mill were charred timbers, twisted machinery, and a \$50,000 loss to the community. (Reflections of Carlton, Pg. 80, 1975)

Public Works

Water

- ◆ Council will review a change order to replace the water line between the concrete reservoir and 1Mg steel reservoir
- ◆ Council will review a change order to address corrosion in the Clearwell that was found through the water plant upgrade project
- ◆ Panther creek reservoir dredging project will restart later this Spring/Summer

Sewer

- ◆ Work on the Hawn Creek pumpstation upgrade began on 4/25 with mainline replacement on W. Monroe St. and headworks upgrade on Grant St.
- ◆ The headworks project is in the design phase
- ◆ The Lagoon/sewer plant upgrade is in the design phase

Streets

- ◆ The Council will review the recommended bid award for the E. Main Street Improvement Project
- ◆ Please contact City Hall to report street issues, potholes or sign problems on city streets.

Parks & Construction

- ◆ JR1 apartments are in the design phase
- ◆ JR2 subdivision had its first walk through inspection last week
- ◆ The Community Home Builder project on Roosevelt is waiting for asphalt

Carlton Police Department Arrests

April 14, 2022

52-year-old, male, Carlton resident, arrested for driving Under the Influence of Intoxicants (DUII)

Ongoing Traffic Grant Enforcement

Carlton Police Department is continuing its enhanced traffic safety effort to address violations and crimes related to seatbelt violations, distracted driving, Driving Under the Influence, Speed and Pedestrian/Crosswalks. Several grants from the Oregon Department of Transportation were awarded to Carlton PD to assist with this overall safety effort.

Walk Around Town With The Chief

Carlton Police Department is committed to transparency and responsiveness to the Citizens

of Carlton. Walking around town with the Chief provides community members with an opportunity to personally meet with their Chief of Police in a friendly, casual, and informal setting to learn and ask questions about the operations of the police department and other safety and livability matters. Walking around town, especially on a beautiful morning, is a great way to start the day!

Please call Chief Martinez to arrange a meeting at 503.852.3805 or email kmartinez@ci.carlton.or.us

Sharing from Yamhill Soil & Water Conservation District:

The District is hosting Wildfire Prevention Workshops across the county this spring! Join them to learn about managing trees and brush, the emergency management system, and fire prevention around your home. They are **FREE** community events!

The same topics will be presented at each of the locations, so come to the one that is the most convenient. The workshop will be set up with stations for the presenters. They will give their talk, have Q&A, and then the participants will rotate to the next station.

➤ Saturday, May 7th Wennerberg Park, Carlton 10AM-Noon

To assist with planning, please RSVP with the form below.

<https://yamhillswcd.org/district-announces-wildfire-prevention-workshops-for-2022/>

The Carlton Code Corner

As citizens and visitors alike begin to wander downtown to some of our favorite local businesses, please keep the city ordinances in mind to ensure safety:

- ❖ Do not obstruct building entrances, stairways or halls
- ❖ Do not drive vehicles over sidewalks, unless there is an entrance ramp, incline or crossing provided for that purpose
- ❖ Do not obstruct sidewalks or street crossings with objects or with groups of people
- ❖ It is unlawful to sell goods without a permit approved and issued by the City of Carlton
- ❖ Do not litter on the sidewalks, streets, parking, drinking fountains or in any public place; please use provided receptacles

And remember to keep vegetation trimmed for everyone's safety

- ❖ All vegetation must conform to clear vision standards allowing for pedestrians and vehicles to navigate sidewalks and streets safely.
 - ❖ Owners and residents may not permit the accumulation of any grass, weeds and other noxious vegetation more than ten (10) inches in height, and all dead bushes, grass, trees, debris and other things of an inflammable character on such property.
 - ❖ Trees must be trimmed to the trunk at least eight (8) feet over walks and pedestrian paths, and to a minimum height of fifteen (15) feet over streets and vehicular traffic areas.
 - ❖ Property owners shall maintain and keep in repair planting strips in the public rights-of-way of the city that are in front of, adjacent to, or abutting upon the property,
- ❖ Maintenance of planting strips includes mowing the grass regularly and periodic pruning of all plantings and trees located within the planting strip to avoid encroachment on the adjacent sidewalks and roadway

The codes in their entirety can be accessed on the City's website at https://library.municode.com/or/carlton/codes/code_of_ordinances

Please don't hesitate to reach out to City Hall with any questions: 503-852-7575

Visit our [online open house](#) to learn more about construction happening in your area.

ADA curb ramps Construction in 2022

ODOT is installing ADA compliant curb ramps on the corners of several intersections in Carlton. ODOT plans to construct one corner of an intersection at a time, with up to five intersections under construction at once. When construction starts, expect ODOT crews working during the day and at night as needed. During construction, the project webpage or Tripcheck.com will have the most up to date information about impacts. ODOT is working with the City to help coordinate and distribute information and project updates. For questions about the ADA curb ramps, contact the project manager:

Brennan Burbank brennan.burbank@odot.oregon.gov 971-701-3342

OR 47 realignment design is underway

You may see activity in Carlton as ODOT restarts the design of the OR 47 realignment project. This project includes installing ADA curb ramps, bike lanes and rerouting traffic to a new alignment of OR 47 from W Main Street onto Monroe Street.

ODOT will be engaging the community throughout the design process, stay tuned for information on how you can get involved.

For questions about the OR 47 realignment work, contact the project manager:

Paul Welch paul.welch@odot.oregon.gov 503-302-8926
