Forever Remembered

You never know when we will lose someone that makes an incredibly positive impact in our world...

“Live the moment, Cherish the moment, Remember the moment”
Chief Martinez

Scott Carl – City Leader and Advocate for the betterment of the Carlton Community
Past City Council President - 20 years of service on the Carlton City Council

Friend, your memory will remain in our hearts forever and Carlton is a better community because of you.

I have had the pleasure and honor of working with Scott over the last ten years on various community events. As a City Council President, Scott continuously demonstrated his love for the town that was founded by Scott’s ancestor, Wilson Carl.

We worked on various community events together, in particular, “Music For Hope” Scott Carl, Lou Kinnaman and Chief Kevin Martinez formed the “Carlton Music Project” which was founded in order to enhance the musical visibility and presence in our community. Scott’s dream was to establish a monthly Music In The Park event for our citizens and visitors.

For the last 5 years Scott remained the backbone of the Carlton Music Project’s “Music For Hope” event which is held every third Saturday of August in Carlton’s Ladd Park. Despite Scott’s battle with significant health issues he remained at the helm as we met frequently to plan this year’s event. Scott loved the thought of assisting the Make-A-Wish Foundation with turning wishes into reality for children with life threatening illnesses. Chief Kevin Martinez

Thank you Scott for everything, you will be greatly missed!
