Police

In 1962, President Kennedy proclaimed May 15 as **National Peace Officers Memorial Day** and the calendar week in which May 15 falls, as **National Police Week**. Established by a joint resolution of Congress in 1962, National Police Week pays special recognition to law enforcement officers who have lost their lives in the line of duty for the safety and protection of others.

National Police Week is May 11-17, 2022 with the 34th annual candlelight vigil on Friday, May 13th in Washington DC.

National Peace Officers Day is Sunday, May 15th

ADA curb ramps Construction in **JUNE 2022**

ODOT is installing ADA compliant curb ramps on the corners of several intersections in Carlton. ODOT plans to construct one corner of an intersection at a time, with up to five intersections under construction at once. When construction starts, expect ODOT crews working during the day and at night as needed.

During construction, the project webpage or Tripcheck.com will have the most up to date information about impacts. ODOT is working with the City to help coordinate and distribute information and project updates.

For questions about the ADA curb ramps, contact the project manager:

Brennan Burbank brennan.burbank@odot.oregon.gov 971-701-3342

Updates from ODOT

OR 47: Realignment Project in Carlton

ODOT is working on the design to realign OR 47 from W Main Street to N Pine Street and W Monroe Street to help traffic flow better through town and to make downtown Carlton safer for pedestrians and bicyclists.

They'd like to hear from you — fill out this [survey](#) to share how you use the area, your experiences, what your priorities are and more!

Take the Survey & Provide Feedback

Project Schedule

ODOT has restarted designing this project and it'll take a few years to work through the process to ensure it's right for our community.

The team is working on gathering information to help with the design.

You may have seen some of the team in town talking to stakeholders, taking measurements and more. Share your thoughts as ODOT continues to design this project by filling out the [survey](#) today!

We are here!
