ADA curb ramps Construction coming soon

Phase 1 of the ADA construction project is set to kick off in a few weeks. As we get closer, we will let you know where and when to expect work. ODOT is installing ADA compliant curb ramps on the corners of several intersections in Carlton. ODOT plans to construct one corner of an intersection at a time, with up to five intersections under construction at once. When construction starts, expect ODOT crews working during the day and at night as needed. As with all construction projects there are unexpected occurrences. We appreciate your patience and understanding.

During construction, the project webpage or Tripcheck.com will have the most up to date information about impacts. ODOT is working with the City to help coordinate and distribute information and project updates.

For questions about the ADA curb ramps, contact the project manager:

Brennan Burbank brennan.burbank@odot.oregon.gov 971-701-3342

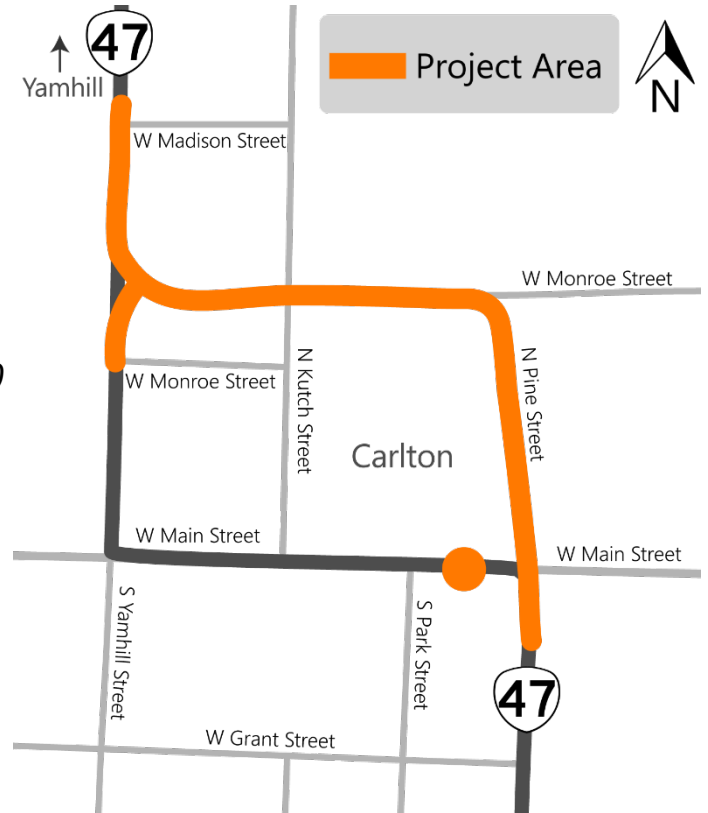

Updates from ODOT

OR 47: Realignment Project in Carlton

A message from the ODOT team:

Thank you for taking the time to fill out our [survey](#)! We've heard from almost 90 people so far, but we'd like to hear from as many community members as possible.

Help us spread the word! The survey is still open – please share the link with your family, friends and neighbors.

Construction

- Palms Apartments site work underway. Silt fence has been installed

Carlton Code Corner

Summer maintenance means a whole lot of lawn mowing, brush management and tree trimming.

Remember that maintaining your vegetation contributes to the community!

Owners and residents must maintain any grass, weeds and other *noxious vegetation more at less than ten (10) inches in height. They must also remove dead bushes, grass, trees, debris and other things from the property to prevent a fire or public safety hazard.

- ⇒ All vegetation must conform to clear vision standards allowing for pedestrians and vehicles to navigate sidewalks and streets safely.

- ⇒ Trees must be trimmed to the trunk at least eight (8) feet over walks and pedestrian paths, and to a minimum height of fifteen (15) feet over streets and vehicular traffic areas.
- ⇒ Property owners shall maintain and keep in repair pedestrian paths, sidewalks, parking strips and **planting strips in the public rights-of-way that are in front of, adjacent to, or abutting upon the property
- ⇒ Maintenance of planting strips includes mowing the grass regularly and periodic pruning of all plantings and trees located within the planting strip to avoid encroachment on the adjacent sidewalks and roadway

* Visit the Yamhill County Soil and Water Conservation site for a full list of noxious vegetation: [noxious-weed-list-2021-2022.pdf \(yamhillswcd.org\)](https://www.yamhillswcd.org/files/2021/12/Noxious-Weed-List-2021-2022.pdf)

** “Planting strip” means the portion of area between a private property line and the curb or edge of pavement or traveled way which is not improved by a sidewalk.

The codes in their entirety can be accessed on the City’s website at https://library.municode.com/or/carlton/codes/code_of_ordinances.

Please don’t hesitate to reach out to City Hall with any questions: 503-852-7575

Carlton PD Birthday Patrol

Senior Officer Blair wishing Lexi (3) a very happy birthday with a stuffed animal, frisbee, toy car, and stickers at her birthday party at Wennerberg Park.

Patrol Break For Refreshments

It was a warm sunny Sunday afternoon on Main Street when Senior Officer Jake Blair discovered a pop-up lemonade stand at Ladd Park, offering cool refreshments for the citizens of Carlton. The young entrepreneurs (from left) Logan 9, Winter 9, Sofia 9, Nora 6, and Violet 6, happily served Officer Blair an ice cold lemonade as additional customers began to form a line awaiting their own lemonade.

Carlton Police Department Spends Morning at YC Elementary School Painting Rocks with the Kiddos

Officer Micah Steeves was on his morning patrol at the Yamhill-Carlton Elementary School when he was invited to paint rocks with the students and staff for their community rock project. Students were encouraged to paint with their hearts and were eager to show off their painted rocks to Officer Steeves.
