Updates from ODOT

Curb Ramp Upgrades

Construction update: this year ODOT is building curb ramps at [13 different intersections](#) on OR 47 to meet current American with Disabilities Act (ADA) accessibility standards. The contractor plans to begin construction the **week of July 11**.

Work will take place at night. When work starts, you can expect construction noises, lane and shoulder closures and delays. For the most up to date information on traffic impacts, visit [TripCheck.com](#).

OR 47: Realignment Project in Carlton

Thank you to all those who attended **Carlton Fun Days** last weekend and filled out the [survey](#).

So far, there have been nearly 200 responses!

Reminder: the survey closes on **July 15**. After the survey closes, common questions will get answered in a FAQ document.

Paul Welch, the project manager, is sharing your ideas and suggestions with the design team to consider.

You can contact Paul Welch by email at paul.welch@odot.oregon.gov or by phone at 503-986-2702.

Summer Safety Tips

Keep these tips in mind as you and your family enjoy summer vacations, camping, family reunions, picnics and the Fourth of July.

Fire safety

Build campfires at least 25 feet away from tents, shrubs and anything that can burn.

If you want to see fireworks, go to a public show put on by experts. Sparklers can reach 1,200 F and cause third-degree burns.

Use propane, charcoal and wood pellet barbecue grills outdoors only. Indoor use can cause a fire or carbon monoxide poisoning.

Place your grill well away from siding and deck railings and out from under eaves and overhanging branches. Do not store or use a grill on a porch or balcony.

Summer Safety Tips

Activity safety

Never swim near a boat, marina or boat launching ramp.

Always use U.S. Coast Guard-approved life safety jackets.

Adults need to stay with children when they are around water.

Keep the pool and deck clear of floats, balls and toys after you get out of the pool.

Always swim with a buddy.

Always wear a bike helmet and bright clothes when cycling so people can see you. Put reflectors on your bike.

Ride with both hands on the handlebars. Ride in single file with traffic. Stop at all stop signs and obey traffic lights.
