## Parks and Recreation

- Plan out your summer job now! The pool will be training and hiring people for open lifeguard positions for Summer 2023. Contact Aimee Amerson for more information: [aamerson@ci.carlton.or.us](mailto:aamerson@ci.carlton.or.us)
- Playground bark chips have been installed this week. This helps protect from injury in case of any falls.
- We are going into the Holiday Season, please enjoy the Ladd Park display and decorations that are being installed. We ask that you help keep the parks clean and put your garbage in the designated bins.

## Public Works

- The water dredging project is completed and will be demobilized.
- Water use in town has dropped off to winter time flow—to prevent leaks, don't forget to winterize your pipes and faucets!

## Construction within the City

- JR-2 houses are being constructed
- JR-1 lot 38—apartments are being constructed
- JR-2 lot 71—apartment dig out starts soon
- Brooklyn Heights are 95% completed

# Police

On October 31, 2022, Carlton Police Officers attended the Yamhill-Carlton Elementary School costume parade and the downtown Halloween parade where they handed out candy and even got to take photos with some of the great costumes! Carlton officers then patrolled the city looking for trick or treaters to hand out candy and glow sticks.

#### **Prepare for power outages**

Keep a stock of supplies you may need in case of a bad snow storm or power outage. Food, water, batteries and blankets are key! (Make sure you keep these in your car too)

#### **Prevent frozen pipes**

Wrap your pipes in insulation sleeves and use faucet covers on outdoor faucets and spigots. Trickle water through the pipes overnight to prevent them from freezing. Consider draining the pipes if you'll be away from home an extended period of time.

#### **Prevent fires**

Keep furniture away from fireplaces and heat sources. Never use a grill or gas powered heater inside the home. Have heating equipment and chimneys cleaned and inspected. Remember to turn off portable heaters when leaving the room or going to bed. Test carbon monoxide and smoke alarms and change the batteries annually.

#### **Winter Driving Tips**

Check the weather—don't venture out unless its necessary. Remove all ice and snow from windows and mirrors before driving. Slow down, be alert and anticipate hazards.

#### **Check on your neighbors**

Check in with your neighbors, especially the elderly and those with special care needs. If you are unable to reach out, the Carlton Police Department can be proactive and check on potentially vulnerable citizens within city limits.
