WHERE POLICE & COMMUNITY WORK TOGETHER

## DEALER ALERT!!!

The Carlton Police Department has received reports that highly addictive substances will soon be circulating in our area. These substances go by names like "Thin Mints," "Samoas," "Peanut Butter Patties," and "Lemonades."

These substances are distributed by strong, intelligent, fearless young women who lure you in with their good-cause story and get you hooked. Many people start with just one box, but one turns into two, two turns into five, and the next thing you know, you're hiding your stash in your freezer.

We want the community to know that we are here for you. We have set up a drop-off location for these "Girl Scout Cookies" at the Carlton Police Department, 945 W Grant St, Carlton Or, where our officers can dispose of them safely.
