Jurisdictional Survey

Yamhill County Transit recently began updating its coordinated transportation plan (CTP). A CTP identifies the need for transportation services for seniors and persons with disabilities, determines the gaps between these needs and available services, and sets a course of action for closing the gaps.

To meet the needs across the entire county, YCT wants to hear from you about the greatest transportation needs for residents in your city.

Carlton Police Department Mission Statement

The mission of the Carlton Police Department is to provide a safe community through the professional delivery of police services and by working in partnership with the citizens of Carlton. To this end, we will provide the highest quality of law enforcement services within our ability. We will hold ourselves accountable to the community and the professional standards of Oregon Law Enforcement. We recognize that our most valuable resource is our officers and will strive to create a positive working atmosphere where creativity and participation abound. We will continually serve the people of the community, striving for excellence in all that we do.
