KEEPING YOU IN-THE-KNOW ABOUT WHAT IS HAPPENING IN OUR COMMUNITY

A Message from Juliette's House

In 1983, April was designated as Child Abuse Prevention Month. Juliette's House along with national and local organizations come together in April to raise awareness, inspire collective action, and work together to protect children from abuse.

According to Child Welfare aside from the immediate physical injuries children can experience through maltreatment, a child's reactions to abuse or neglect can have lifelong and even intergenerational impacts. Children can experience long term physical health effects, psychological consequences, behavioral consequences, and societal impacts. This makes the issue of child abuse an issue that impacts everyone in our community.

We ask that you join us in our efforts to bring awareness to the impacts of child abuse in our community! Visit us at www.julietteshouse.org/eventcalendar to order yard signs and pinwheels and find information about events taking place during the month of April.

From everyone at Juliette's House, thank you again for your continued support, and we look forward to April!

Out & About

On March 24, 2023, while Officer Steeves was on a foot patrol at the Yamhill-Carlton Elementary School, he met with 6-year-old Zoey and her little brother, 2-year-old Cosmos, who were both excited to get a police sticker from Officer Steeves and see his patrol car's emergency lights!
