

# A Message from Your Dogs

**Dear Owners:**

**We want to remind you of a few things that will make your life better – because we'll be more welcome here!**

**ALWAYS PICK UP AFTER ME!** No matter where I “go.” Stepping in dog “doo” is the #1 complaint about dogs everywhere. We can't clean up after ourselves...we rely on you. Please help us.

**ALWAYS KNOW WHERE WE ARE AND WHAT WE'RE DOING.** Accidents can happen anywhere and between the river and some of us getting carried away while playing...well, there could be problems.

**USE MY LEASH!** We want to be everyone's friend, but they don't always want to be ours, or they may just be scared – some of us are pretty big, and vocal! Using a leash around strangers says I have a thoughtful, considerate owner who respects others' needs.

**KEEP US OFF THE BALL FIELDS...yes-even in winter.** The “**DOGS PROHIBITED**” signs aren't just a suggestion. You could get a fine for letting me run where I'm not allowed. And we'd all feel pretty bad if a player slipped on something I left behind and missed a catch during a game! (not to mention the “ew! factor!”)

**We dogs look forward to our social time; but not everyone is excited about seeing us. PLEASE help ensure we're always welcome by being courteous, thoughtful owners.**
