City of Carlton – Event Application and Planning

The City of Carlton is the location for many events throughout the year. It is very important that you fill out your applications completely. Missing information can slow the permit process or terminate the application.

Permit applications **must** be received by the City of Carlton no later than **thirty (30)** days prior to the actual date of your event, and may be submitted as early as one (1) year before your event. If your application is accepted by the City after the thirty (30) day deadline, the applicant waives his/her appeal rights. **Applications may not be accepted when the proposed event is fewer than fifteen (15) days away.**

In general, a permit is required for any organized activity involving the use of, or having impact upon public property, public facilities, including, but not limited to parks, sidewalks, streets or the temporary use of private property in a manner that varies from its current land use. It is our goal to assist event organizers in planning safe and successful events that create a minimal impact on the communities surrounding the events.

Please use this handbook to assist you in filling out the necessary forms that pertain to your event. City staff can direct you to the forms that need to be filled out for your particular event.

If you plan on using any of the City Parks for your event, you should call City Hall to ensure the space you need will be available.

City of Carlton – Event Application and Planning Guide

GENERAL INFORMATION

Upon submitting your Special Event Application, all information will be considered public information, and may be used by the City for promotional purposes (e.g., calendar of events on City website). The City will use all information regarding your event to approve or deny your application. It is important that the information on your application be accurate, and that your application is filled out completely.

SPECIAL EVENT PERMIT

The Special Event Permit Application is designed to gather general information about the event. The applicant will be required to provide the following information: the type of event, dates, times, locations, event background, and contact information. Remember to include a copy of your organization's IRS 501(3)C tax letter if applicable.

PLANNING INFORMATION

The Planning Information section is designed to gather important details about how the event will be run. There are many specific details to running an event, and the City needs to ensure that each event has thoroughly planned out the different aspects involved. It is very important that all information be complete and accurate, so that the City can approve your event in a timely manner. The following is an overview of the information you will need to fill out the required forms.

SITE PLAN/ROUTE MAP

Please submit a site plan/route map that will provide the City with a visual of what the event will look like. Please remember to mark the locations of all items that are not normally located at the site. If you need any street closures, you must fill out a "Street Closure Permit Application", in addition to any other required forms.

SECURITY

The information you provide about security at your event will help to ensure the City that the crowd will be properly controlled. You are not required to hire a security organization; however, you must provide a way to control the anticipated crowd at your event. If you are expecting fewer than 50 people at your event, you do not need to fill out this section.

ALCOHOL

If alcoholic beverages will be available for purchase at your event, you are required to obtain the necessary licenses and permits. The City may require you to obtain additional insurance for alcohol. A license must be obtained from the Liquor Control Commission. For special events you will most likely be required to obtain a Temporary Sales License (TSL). For more information regarding the proper licenses and permits, please contact the local Oregon Liquor Control Commission (OLCC).

For events where you would like to serve alcohol, but it will not be sold, please contact the City Manager.

The Carlton Code of Ordinances states:

§ 9.02.009 DRINKING IN PUBLIC PLACES.

It shall be unlawful for any person to drink any intoxicating liquor upon any street or in any public place; provided, however, that nothing in this section contained shall be deemed to apply to the drinking of any intoxicating liquor in any establishment wherein the same may be sold for premise consumption under the laws of the State of Oregon.

(Ord. 234 § 9, 1940)

If you will be having alcohol at your event, please submit an “Alcohol Permit Application” in addition to all other applications.

MEDICAL

Unexpected mishaps can occur at your event at anytime. It is important that you plan ahead and have medical services available in the case someone needs medical attention. If you are expecting fewer than 50 people at your event, you do not need to fill out this section.

PARKING AND SHUTTLE

Parking at some Carlton City parks is limited. Whether you are expecting 10 or 100 people at your event, people may need to be transported to the designated location. It is important that you have thought about where your attendees will park necessary to control your event parking. Larger events may have a need for no parking areas and/or handicap parking. Depending on your location, and your expected attendance, it may or may not be required.

City of Carlton – Event Application and Planning Guide

Please be conscientious of where you are parking. Areas around Hawn Creek or Ladd Parks are private properties, and if you wish to park there you must contact them to make arrangements. Violators of the City of Carlton Parking Code will be cited.

ACCESSIBILITY

Each event is required to comply with all applicable City, County, State, and Federal Disability Access Requirements. All areas of your event need to be accessible to individuals with disabilities or provide an alternative area with the same activities.

GARBAGE AND RECYCLING

It is necessary that you have a plan for the proper disposal of waste material at your event. It is not required that you recycle, but it is recommended. You should have enough garbage cans at your event and change the liners regularly so that they do not overflow. You may want to consider having a ground maintenance crew so that garbage is properly taken care of. The City of Carlton will not provide garbage service. This is the responsibility of the event applicant to collect, contain and dispose of all garbage, and the applicant will be fined if they fail to do so.

You may wish to contact our local garbage provider to arrange for extra garbage cans for your event, and the pickup of the garbage cans after the event.

Local garbage/recycling provider:
Recology (503)-472-3176

SANITATION

You must have an adequate number of toilets and wash stations for the people attending your event. If there is no access to permanent bathrooms, or you need additional bathrooms for your event, then you will need to arrange to have portable toilets and wash stations delivered to your events location. The number of toilets that are needed depends of the number of people who will be attending your event. You may want to have your sanitation equipment checked throughout the event to make sure they are properly cleaned and stocked.

Local portable toilet/wash station providers:

Chem Cans (503)-472-6958

Ace Chemical Toilets (503)-393-1033

AMPLIFIED EQUIPMENT

An Amplified Equipment Permit is required for the use of any amplification sound or music equipment. If you plan on using such equipment, please fill out the Amplified Equipment Permit Application and submit with your other applications.
